

14th June 2024

Dear Church family,

As we are continuing to see the church grow and are welcoming new brothers and sisters into the kingdom continuously, we are asking those who are part of our church or who are encouraged by all God is doing at Hillfields Church, to seek God prayerfully on giving towards our annual offering.

The money we raise will go towards reducing the monthly cost of running the church, repairing and running our minibus, it will help support those on payroll and enable us to support others, it will support the running of the foodbank, fund baptism and salvation packs, improve our livestream and sound system, enable us to provide a special event/equipment for Souled Out (our youth camp), costs toward planning for a new building and improve our creche and children facilities.

We are asking everyone to seek God on whether you feel this is something you want to invest in. We are asking those who wants to contribute to pledge knowing that it is a payment that can be made by 31st July 2024. The target is £30,000 and if we do not reach the target, we will go ahead and tackle the work in order of priority.

To avoid confusion, we ask that you make it clear how much you are pledging. If you are paying electronically, please specify it is for your annual offering. For all cash/cheque offerings, please attach the form below with the amount you are paying. We are asking that on Sunday 30th June you complete the form below pledging whatever amount you feel God is asking you to give. Pledge this amount knowing you can make the payment by 31st July. It is ok to pledge or make payment prior to the 30th June 2024, just ensure you have specified it is for this offering.

The running of the church is 100% reliant on the generous financial giving of others. We are therefore using this as an opportunity to request that you either begin setting up regular giving or decide to increase what you are already giving. Therefore, if you would like to begin or increase regular giving, please fill in the relevant part below and place it in the annual offering envelopes provided.

We understand this is a difficult time and a time of uncertainty so we know that if the target is going to be reached that it would be a miracle of God, but we serve a God of the impossible and are blessed with an incredibly faithful church.

Thank you in advance for your prayers and consideration

Richard Rycroft
Lead Pastor
Hillfields Church

**July 2024 Offering
Pledge/Regular Giving Form**

I would like to pledge a one-off amount of £ _____ towards the running of Church as per the above information. I understand that in pledging this amount that I will be able to make payment of the stated amount by 31st July 2024
